Lasagna

Boil lasagna noodles until el dente. Rinse and leave in cold water until you're ready to put this together.

In a large saucepan, saute hamburger and/or sausage with onion. Add garlic. (You can make this recipe without meat. Just use the following ingredients.)

Add the following ingredients to the meat mixture:

tomatoes

tomato sauce

tomato paste

parsley and basil

parmesan cheese (1/4 cup) if you'd like

salt and pepper

Simmer for at least 20 minutes (the longer the better).

While that is simmering, combine:

Lasagna

ricotta

egg

2 Tbls. parsley

2 Tbls. basil

salt and pepper

1 cup mozzarella, shredded

1/2 cup parmesan

In a large lasagna baking dish, spread one cup of the tomato sauce mixture on the bottom of the pan.

Layer 1/3 of each of the following:

lasagna noodles

cheese mixture

mozzarella/parmasen

tomato sauce mixture

Lasagna

Repeat layers 2 more times.

Cover and cook in 350 degree oven for 20 minutes. Remove cover and cook additional 20 minutes.

Add mozzarella cheese on top during the last 5 minutes of baking.

Let sit for 10 minutes and serve.

Notes

Spinach is a nice addition. Chop coarsely and put it in with the ricotta cheese mixture.

You may also leave the meat out and call this "3 Cheese Lasagna"!
