Drain the chickpeas and set aside liquid from can. Combine the chickpeas, lemon juice, tahini and garlic in a blender or food processor. Blend thoroughly. Add 1/4 cup of liquid from chickpeas. Continue blending for 3-5 minutes on low until thoroughly mixed and smooth.

Place in serving bowl, and create a shallow well in the center of the hummus.

Add 1-2 tablespoons of olive oil in the well. Garnish with parsley (optional).

Serve immediately with fresh, warm pita bread. Or cover and refrigerate to store and server later.

## Notes

This is a great hummus (hummous) base for many variations and extras that you can add. Try cumin, sun-dried tomatoes, roasted garlic, or roasted red peppers for some different tasty variations.
