

# Bitchin' Sauce

## Description

Definition: Bitchin' Sauce (nerb&mdash;noun + verb) is a bitchin' (for lack of a better word) sauce sold at the San Diego farmers market. It comes in 3 varieties&mdash;original, chipotle, pesto. It's both vegan and gluten-free. And the taste? It's oh-em-gee out of this world! (Coming from a girl who turns her nose up at all things vegan. Mark my word&mdash;this sauce made me a lover.) Almonds give the sauce its creamy base. While lemons provide a lovely kick at the end.

## Instructions

1. Place all ingredients in a high-powered blender (such as a VitaMix). Slowly blend for one minute. Turn the dial up to high, and continue to blend for 1-2 minutes or until smooth and creamy.
2. Store in the refrigerator. Sauce may separate. Stir and it's as good as new.

## Notes

Side note:

- Nutritional Yeast and Bragg Liquid Aminos can be found at Whole Foods. If you're not vegan, the ingredients may seem like a bit of an investment. But let me tell you, it's one worth making.
- 2 tablespoons = 1/8 cup (If you happen to have one of those laying around.)
- Although I haven't tried it, I think a food processor will work to make this sauce.
- This sauce doesn't last long enough in my fridge to figure out its shelf life.
- If you're stopping through San Diego, you must give the real deal a try. It just might revolutionize your life. Word on the street&mdash;they may start shipping soon
