## **Olive Oil Dressing**

Combine 1/2 cup of olive oil, 1/3 cup of white balsamic vinegar, dry mustard, sugar, salt and pepper. Mix well until fully blended. Add the dill weed and 1/4 cup of green onions (save some green onions for garnish). Mix well.

Pour over potatoes and toss to mix. Cover and chill for a minimum of 4 hours.

## **Rinse Caviar**

Most of the less expensive black caviars contain a black dye. Place caviar in fine mesh strainer and rinse under cool water to reduce dyes and excess salt. Let drain.

## **To Serve**

Arrange potatoes on serving dish platter. Moisten with remaining olive oil dressing. Sprinkle rest of green onions over top. Place caviar in a small container in center of potatoes on serving dish. Garnish with parsley.

Top individual servings of potatoes with a dollop of caviar.
