## Mini pizzas

Line a large baking sheet with parchment paper or nonstick aluminum foil. Place pizza dough on a well-floured surface, press dough firmly with your fingers to shape, and stretch gently into a 12 " x 8" rectangle.

With a round cutter, cut dough into $18-20$ rounds; place rounds 1 inch apart on baking sheet. Top each with pizza sauce, cheese, and your desired toppings.

Bake mini pizzas for 8-10 minutes, or until cheese is melted. Serve immediately.
