Heat a skillet and add the olive oil, garlic and onion. Sauté until the onion is translucent and tender. Add the diced tomato and sauté for 3 more minutes. Add to the pot of beans along with the white wine, chicken stock, rosemary and tomato paste. Partially cover and simmer gently for 35 minutes until the beans are tender and a sauce has formed. If the sauce is still too thin, uncover and boil a few minutes longer to reduce the sauce. Salt and pepper to taste.

Allow the beans to stand uncovered for 5 minutes. Then ready to serve.
