

# LEMON ICEBOX DESSERT

## Description

Do you know what an icebox is? This recipe was from before refrigerators when you stored things in an icebox that looked like a refrigerator, but was cooled by a big block of ice the iceman brought.

Do you know what a refrigerator dish is? (I think they have made a comeback with Martha Stewart). They are long and narrow, about 3 or 4 inches high and about 9 inches long and 3 inches wide.
