

RACHAEL'S MEAT BALLS

Description

Nanna and my mother both used to make this quite a bit. Don't know who Rachael was.

A quick and easy supper.

Ingredients

- 1 lb hamburger
- 1 can chicken with rice (original)
- 1 cup cornflakes, rolled fine
- 3 strips raw bacon cut in half

Instructions

Mix together. Mixture will be soft.

Form into 6 or 8 balls and place in casserole dish.

Top each ball with a 1/2 strip of bacon.

Bake at 350 degrees 30 - 45 minutes.

Notes

Sometimes the bacon doesn't get as done as I would like it so I cook it about half way and then add to the meatballs.
