Raisin Nut Cake with Frosting

Combine to first mixture. Pour batter into a Bundt pan which has been greased and floured and bake on 350° for 50-60 minutes, or until done.

For Frosting: Mix confectioners' sugar and cocoa; add melted butter and egg yolk, stir in hot coffee and beat until smooth, needs no cooking.

How to make sour milk: To make 1 cup sour milk for baking, use 1tbsp vinegar or lemon juice and enough milk to equal 1 cup. Stir and let stand for 5 minutes before using. This will give the right amount of acidity for the recipe.

Notes

This cake was really special when we were children. This is Aunt Ruby's recipe. (Ruby Hughes Sims). Ann remembers helping Aunt Ruby make this cake when she was just a little girl.
