In a food processor, chop the parsley, mint, garlic, tomatoes and onions. Careful not to over-process. Or chop ingredients by hand if preferred. Combine chopped parsley, mint, garlic, tomatoes and onions in a mixing bowl.

Add the cracked wheat to the chopped ingredients in the mixing bowl. Add the olive oil, lemon juice, salt and pepper. Stir to mix thoroughly.

Serve chilled or at room temperature. Makes about 8 cups.

## Notes

Great picnic food. Quinoa is a nice substitution for the Bulgur wheat.
