Winter Vegetable Soup

Instructions

Clean and wash the turnips and carrots, no need to peel. Slice into small 1/4 inch pieces. Peel the onions and cut into small 1/4 inch pieces. Cut the leeks and celery into small pieces.

Heat olive oil in a large sauce pan and sauté turnips, carrots and onions until onions start to turn translucent. Add the celery and leeks and continue to stir fry for about 6 minutes.

Transfer vegetables to a large soup or stock pot (6 quarts), and add the garlic, parsley, cloves, grated nutmeg, chicken or vegetable stock and additional quart of water. Add salt and pepper, and stir to mix thoroughly. Bring to a full boil, then reduce heat, cover and simmer for 3 hours.
