Griddle temperature: 400 degrees (lower if necessary)

Combine the milk and vinegar (makes buttermilk). Stir and set aside. Melt butter in an 8-cup measuring cup (or large bowl) and set aside to cool. To warm melted butter, add buttermilk and eggs. Combine the sugar, baking powder, baking soda, and salt in a small bowl. Add flour and sugar mixture to liquid. Blend until just combined, do not overmix.

Spray hot griddle with cooking spray. Pour about 1/3 cup of batter for each pancake onto griddle.

Place cooked pancakes on a serving dish and keep warm in oven.

Optional: Sprinkle blueberries on top of pancakes after pouring batter onto griddle (use approximately 1 cup fresh or frozen blueberries).
