Mushrooms and cheese make this pull apart bread so delicious you won't be able to stop picking at it!4-6

## Ingredients

- 12 ozs sliced mushrooms
- 1 tbsp butter
- 1 tbsp fresh thyme (or 1 tsp dried)
- 1 unsliced loaf sourdough bread round
- 12 ozs Provolone Cheese - sliced
- 1/2 cup finely diced green onion
- 2 tsps poppy seeds
- 1/2 cup melted butter

## Instructions

1. Heat a medium skillet on medium. Add the butter. Once the butter is melted, add the mushrooms. Cook 4-5 minutes until they start to sweat. Add the thyme and continue to cook another 2-3 minutes.
2. Set mushrooms aside and allow to cool.
3. Preheat the oven to 350°.
4. Cut the bread lengthwise and widthwise without cutting through the bottom crust. This can be a little tricky going the second way but the bread is very forgiving.
5. Place loaf on a foil lined baking sheet.
6. Insert cheese slices between cuts. Pour mushrooms between the cuts. Use your fingers to push the mushrooms down into the loaf.
