  1 unsliced loaf sourdough bread round
- 12 ozs Provolone Cheese sliced
- 1/2 cup finely diced green onion ٠
- ٠ 2 tsps poppy seeds
- 1/2 cup melted butter

## Instructions

1. Heat a medium skillet on medium. Add the butter. Once the butter is melted, add the mushrooms. Cook 4-5 minutes until they start to sweat. Add the thyme and continue to cook another 2-3 minutes.

2. Set mushrooms aside and allow to cool.

3. Preheat the over to 350°.

4. Cut the bread lengthwise and widthwise without cutting through the bottom crust. This can be a little tricky going the second way but the bread is very forgiving.
