## Mini Cheeseburger Pastry Bundles

Roll the pastry sheet into a 10-inch square.

Cut the pastry sheet into 6 (about 3 x 5-inch) rectangles.

Repeat with the remaining pastry sheet to make 12 rectangles in all.

Place 1 patty onto the center of each pastry rectangle and top each with 1 cheese slice.

Fold the corners of the pastries up over the filling and twist the corners to seal.

Place the pastries onto the prepared baking sheet.

Bake for 20 minutes or until the pastries are golden brown.

### Notes

Make-Ahead:

The assembled bundles can be prepared up to 1 day in advance. Cover and refrigerate until ready to bake.

Recipe Note:

Parchment paper keeps the pastry from sticking to the baking sheet and also makes for easier cleanup. If you don't have parchment paper, you can spray the baking sheet with cooking spray instead. However, cooking spray may cause the bottoms of the pastries to brown more quickly, so begin checking for doneness 5 minutes early.
