Mocha Brownies

- If the icing is overly thick, add 1/4 cup more coffee. It should be very light and fluffy.
- Ice the cooled brownies, spreading the icing on thick. Refrigerate until the icing is firm, and then slice the brownies into VERY SMALL squares. A little goes a long way!
- Notes
Cook Notes: Can also serve in a bowl topped with coffee ice cream and hot fudge sauce. Sinful!
Note: Icing recipe can easily be halved.
Bake brownies in a 9 x 13 inch pan if you want them a little thinner.
