## Instructions

Soak 2 cups chopped dried apples in water overnight, drain and cook in 2 cups Ribbon Cane Syrup until thick like preserves. Combine raisins and nuts in a small bowl. Add 1 cup flour and mix well. Set aside. Cream together sugar and butter; add eggs. Mix remaining 2 cups flour, soda and allspice. Add flour mixture alternately with buttermilk. Add vanilla and mix well. Mix fig preserves, crushed pineapple into cooked apples. Add to cake batter. Stir in cherry, raisins, nut mixture. Spoon batter into a greased and floured Bundt pan or loaf pans. Depending on the pan you use, is how long to cook. I suggest checking around 40-45 minutes.

Preheat oven to 350° Place pan of water in bottom of oven while baking. This keeps the cake from drying out.
