

Mexican Casserole - Patty Davis

Ingredients

- 2 lbs hamburger meat
- 1 onion, chopped
- 1 pkg flour tortillas
- 3 cans Ranch Style Beans
- 1 lb Velveeta cheese
- 2 cans Rotel Tomatoes
- 2 cans cream of chicken soup

Instructions

Mix 2 cans of tomatoes and cream of chicken soup together in a bowl. Meanwhile, be browning hamburger and onions.

When brown; set aside. In a large casserole dish, layer hamburger meat, then 1 can of beans, layer of tortillas, and layer of cheese. Keep layering over and over in this manner until gone. If desired, one layer of each ingredient is okay, then pour the soup mixture on top of the layers. A half-cup of milk may be added to the soup mixture to prevent dryness.

Cook @ 350°-400° for 30 min. or until melted and bubbling.
