

# Tomatillo Salsa Verde

## Description

Classic green (verde) salsa. Perfect for dipping with fresh tortilla chips.

## Ingredients

- 1 lb tomatillos (about 15) husked, rinsed and chopped
- 3 serrano chiles, with seeds
- 3/4 cup fresh cilantro (~ 1 bunch)
- 2 tbsp fresh lime juice
- 1 tsp sugar
- 1 tsp sea salt

## Instructions

Put all ingredients in a food processor or blend. Puree thoroughly to a smooth texture.

Serve as a dip with fresh tortilla chips. Goes well with most seafood.

## Notes

The 3 serrano chiles with seeds provide a pretty good kick. If you prefer a little less heat, try using the serrano peppers without the seeds.
