Instructions

Graham Cracker Crust

In a large bowl, combine the graham cracker crumbs, 2/3 cup sugar and 2/3 cup melted butter. Press onto the bottom and 2 inches up the sides of a greased 9 inch springform cake pan. Cover and refrigerate for at least 30 minutes.

Cheesecake Filling

In a small saucepan, sprinkle the gelatin over the lime juice and add cold water. Let stand for one minute. Stir in the sugar, eggs and grated lime peel. Stir over medium heat until mixture reaches about 160 degrees. Remove from the heat.

In a large mixing bowl, beat cream cheese and 1/2 cup butter until fluffy. Gradually combine gelatin mixture while continuing to beat. Cover and refrigerate for 45 minutes or until partially set, stirring occasionally.

In a chilled small mixing bowl (with chilled beaters), beat cream until stiff peaks form. Fold in lime mixture. Spoon into crust. Cover and refrigerate for 3 to 4 hours until set. Remove sides of springform pan.

Notes

Other citrus flavors work well with cheesecake. You can substitute orange juice and orange peel or lemon juice and lemon peel for the lime juice and lime peel.
