

Tom's Sauce

Description

First used in 1989 for a dinner at our home just after we got married. I made dinner for our two moms and the only good thing was the sauce. 23 years later and many attempts at changing the recipe from a 1 cup yield to something we could use for a meal I arrived at this recipe.

Ingredients

- 1 medim onion
- 5 cup crushed or diced tomatos
- 2 tbsp unsalted butter

Instructions
