| 1 1/2 C Sugar | 6 egg yolks |
| 4 Tbsp corn starch | 2 C whole milk |
| 4 Tbsp flour | 2 C half-n-half |
| 4 tsp vanilla | |

TO MAKE DOUGH:

Mix flour baking powder, sugar, and shortening to resemble crumbs. Add eggs and extract. Work into dough. Spray tins with Bakers Joy baking spray with flour. Form a small ball, the size of a walnut, out of dough. Press into tins. Fill with cream. Flatten more dough to cover. Gently rub tops of pastries with milk before baking. Bake at 350* for 25 mins.

*Helpful Hint: roll the walnut size dough in between suran wrap and flatten to make it easier to fill the tin. Should be very thin.

TO MAKE ITALIAN CREAM:

Mix dry ingredients together in a saucepan. Then add yolks, milk and half-n-half. Stir constantly with burner on medium or a little higher, until cream bubbles. Continue cooking, siirring constantly and rapidly for a minute or two longer. Remove from burner. Separate cream into bowls. In one bowl, add at least 2 tablespoons of cocoa to make chocolate cream. Stir until totally blended. Cover both fairly soon after making it, or else a hard top with form on the creams. Refrigerate for later use, or fill tins with cream when cooled a bit. ***After pastries cool, sprinkle with confectioners sugar.
