Instructions

In a large microwave safe bowl, melt Velveeta and Monterrey Jack cheese together. Microwave cheeses until melted thoroughly, (stirring several times every few minutes) In a skillet sauté finely chopped onion in butter until onion is almost clear. Add diced bell pepper to onion, cover, and let simmer for 4 to 5 minutes. Remove from heat and drain off butter. Add this mixture to Rotel tomatoes and melted cheese. Blend well. Put back in microwave and heat to almost the bubbly stage. Serve with Restaurant style chips.
