Instructions

Marinade

In a gallon-size resealable plastic bag, combine the white wine, soy sauce, olive oil, minced garlic, ground ginger, ground pepper and whole cloves. Cut the round roast in half and place in the gallon plastic bag with the marinade. Seal the bag, and turn several times to thoroughly coat the roast with the marinade. Refrigerate overnight.

Crockpot

Place the roast and the marinade in a 5 quart slow cooker. Add the carrots, potatoes, and onions. Cover and cook on low for 8 to 10 hours, until meat is tender. When done, remove roast and the vegetables (carrots, potatoes and onions) from the crockpot and transfer to a serving platter to keep warm.

Gravy

Pour the cooking juices from the crockpot into a 2 cup measuring cup. Discard the whole cloves. In a saucepan, combine the cornstarch and add cold water until smooth. Stir in about 1 1/2 cups of the cooking juices. Bring to a boil and stir as you cook for about 2 minutes until thickened. Serve with the roast in a gravy boat.
