Avocado Mac and Cheese

Description

If you are an avocado lover, you will go crazy for this macaroni and cheese!

This avocado macaroni and cheese is so easy to make. It is perfect for busy weeknights or whenever you are craving a comforting meal, but feeling lazy. You don't even have to turn on the oven. To make the pasta, you boil the macaroni, make the avocado sauce in the food processor, and whisk together a cheesy sauce on the stove top. You combine everything in a big bowl and devour!

Ingredients

- 8 oz dry elbow macaroni
- 2 clove garlic minced
- 2 avocados peeled and pitted
- 2 tbsp fresh lime juice
- 1/3 cup chopped cilantro
- 2 tbsp butter
- 1 cup milk
- 2 cup pepper jack cheese shredded

Instructions

1. Bring water to a boil in a large pot. Salt the water and add in macaroni. Stir and cook until Al Dente, about 8-10 minutes. Drain and set aside.
2. While the pasta is cooking, make the avocado sauce by placing the garlic, avocados, lime juice, cilantro, salt and pepper into a food processor or blender. Process until smooth and creamy. Set aside.
3. To make the cheese sauce, place butter in a small saucepan and heat over medium heat. When butter is melted, whisk in flour to create a paste. Whisk in milk until smooth. Stir with a wooden spoon until the sauce starts to thicken. Add in Pepper Jack cheese and stir until cheese is melted and sauce is creamy.
4. Place macaroni in a large bowl. Pour the avocado sauce over the macaroni and stir until well coated. Add the cheese sauce and stir until macaroni is coated and creamy. Season with salt and pepper, to taste. Serve warm. Garnish with fresh avocado chunks, if desired.

Notes

Note-

the lime juice keeps the avocado from browning. The mac and cheese is best eaten the first day, but it is still good the second day. The pasta may turn slightly brown, but not bad. If you want a milder flavor, you can use Monterey Jack or White Cheddar Cheese.

Bacon Cheeseburger Pasta

Description

This pure, unadulterated comfort food is pasta simmered in a bacon and burger filled cheesy tomato sauce. It doesn't get better (or easier) than this!

Ingredients

- 1/2 lb sliced bacon
- 1 lb ground beef
- 1 onion finely chopped
- 2 clove garlic minced
- 6 oz tomato paste
- 1 cup ketchup
- 4 cup beef broth
- 1 cup water
- 2 tbsp dijon mustard
- 1 tsp worcestershire sauce
- 1 tsp salt
- 1 tsp granulated onion powder
- 1/2 tsp crushed red pepper flakes
- 1 lb small shell pasta
- 2 cup cheddar cheese grated

Instructions

Stack the bacon strips and cut down through the stack at 1/4-inch intervals. When done, you should have a pile of thin bacon strips. Put these into a large stockpot over medium-low heat, stirring frequently until the bacon is crispy. Use a slotted spoon to transfer the crispy bacon to a paper towel lined plate to drain. Pour the remaining bacon grease out of the pan (and hopefully into a jar to use in tasty things later.)

Return the pan to the heat, break up the ground beef over the bottom of the pan and add the onions to the pot. Use a sturdy wooden spoon to continually break up the beef and work the onions into the meat until the meat is no longer pink but brown. If there is a great deal of fat in the pan, carefully pour most of it off. If there's just a small amount of fat in the bottom of the pan, keep it. It's full of flavour! Return the pan to the heat again.

In a large mixing bowl, whisk together the garlic, tomato paste, ketchup, beef broth, water, mustard, Worcestershire sauce, salt, and onion and garlic powders. Pour this over the browned beef. Stir well, raise the heat to high and bring the mixture to a boil. When it is boiling, gently stir in the dry pasta, add a lid to the pan and drop the heat to low. Cook for 10 to 12 minutes, stirring every couple of minutes to prevent the pasta from sticking. When the pasta is tender, turn off the heat, add all of the grated cheese and the the crispy bacon and stir gently until the cheese is melted in completely and the bacon is evenly distributed.

Serve hot or very warm.

Baked Lemon Pasta

Description

Lemon is an unlikely flavoring for pasta, but oh...is it ever refreshing and good, especially in the spring and summer. This is a baked version, but if you're in a hurry there's nothing more delicious than this: saute butter and olive oil, add chopped garlic. Squeeze in the juice of a couple of lemons and add in some of the zest. Stir together and add a splash or two of half and half or cream, then toss with pasta, chopped parsley, and Parmesan cheese. Divine.

There's something about this baked version, though, that I just love. I use sour cream instead of cream or half and half—I like the "noodle kugel" quality of the finished dish, (I should have been Jewish, I love kugel so much.) and I love the smell of lemon and garlic emanating from the oven.

That's my story and I'm stickin' to it.

This recipe may be doubled, tripled, or octupled—it's totally easy.

Ingredients

- 1 lbs thin spaghetti or angel hair
- 4 tbsp butter
- 2 tbsp olive oil
- 2 cloves garlic minced
- 1 large lemon juiced and zested
- 2 cup sour cream
- 1/2 tsp kosher salt
- 1 shredded parmesan cheese

Instructions

Preheat oven to 375 degrees. Cook spaghetti until al dente.

In a skillet, melt butter with olive oil over LOW HEAT. When butter is melted, add minced garlic. Squeeze lemon juice into the pan. Turn off heat.

Add sour cream and stir mixture together.

Add lemon zest and salt.

Taste, then add more salt if necessary.

Pour mixture over drained spaghetti and stir together, then pour spaghetti into an oven safe dish.

Bake, covered, for 15 minutes. Then remove foil and bake for an additional 7 to 10 minutes. (Don't bake too long or the pasta will dry out.)

When you remove it from the oven, squeeze a little more lemon juice over the top.

Top generously with Parmesan cheese, then chopped parsley.

Give it a final squeeze of lemon juice at the end.

Serve with crusty French bread and a simple green salad.

Pasta

Fusilli with Green Beans, Pancetta and Parmesan

Description

Green beans, cooked until crisp-tender, are the star of this show. If you don't have some growing in your own garden, this dish is worth a quick stop at the farmers' market. The pasta's cooking water melts the cheese and turns it into a rich sauce that coats the beans and pulls everything together. If you can't find pancetta, substitute bacon.

Ingredients

- 1/2 lbs Fusilli
- 4 oz Pancetta cut into 1/2 squares about 3/4 cup
- 2 clove garlic, smashed and peeled
- 2 tbsp unsalted butter room temperature
- 1/2 lb green beans trimmed and cut into 1 inch lengths
- 2 oz finely grated Parmigiano-Reggiano (1 cup)

Instructions

Bring a medium pot of well-salted water to a boil. Cook the pasta until just barely al dente, about 1 minute less than package timing. Reserve 1 cup of the cooking water, and drain the pasta.

While the pasta cooks, put the pancetta in a cold 10-inch skillet and set over medium-high heat.

When the pancetta starts sizzling, add the garlic and cook, stirring constantly, until starting to brown, 1 minute. Reduce the heat to medium and continue to cook the pancetta until golden but still chewy at the center (taste a piece if you're not sure), an additional 2 to 3 minutes. If the pancetta has rendered a lot of its fat, spoon off all but 1 Tbs. of the fat from the pan.

Add the beans to the pan and cook, stirring constantly, until they're crisp-tender, 3 to 4 minutes. Remove the garlic and season the beans with salt and pepper. With the pan still over medium heat, add the pasta, 1/2 cup of the pasta water, and the butter. Toss to combine. Add another 1/4 cup pasta water and 3/4 cup of the Parmigiano. Stir well and season to taste with salt and pepper. If necessary, add a little more pasta water to loosen the sauce.

Transfer the pasta to a serving bowl. Grind black pepper over the top and sprinkle with the remaining cheese.

Pasta

Linguine with Crab

Description

A light sauce of fresh tomatoes, white wine, butter and extra-virgin olive oil is tossed with fresh linguine and lump crabmeat to produce this delicately flavored pasta dish. It's quick enough for a weeknight meal and elegant enough for a special occasion.

Ingredients

- 12 oz linguine
- 8 oz lump crabmeat - see notes below
- 3 tbsps butter
- 3 tbsps extra virgin olive oil
- 4 clove Garlic Cloves peeled and minced
- 1/3 cup dry white wine
- 5 large plum tomatoes, seeded and chopped
- 4 scallions thinly sliced
- 1/4 cup fresh parsley finely chopped

Instructions

Put a pot of salted water on to boil for the pasta. Pick through the crab to remove any shells and separate it into small pieces. Set aside.

Heat the butter and olive oil in a large skillet over medium heat. Add the garlic and sauté until pale gold in color, 1-1/2 to 2 minutes. Add the wine and tomatoes and simmer just long enough for the tomatoes to soften, but not break down, 2 to 3 minutes.

Season to taste with salt and pepper, remove from the heat and stir in the scallions and reserved crabmeat.

Cook the pasta according to the package directions (about 3 minutes if using fresh linguine). Reserve 2 tablespoons of the cooking water, then drain thoroughly.

Combine the linguine with the crab mixture, adding the reserved water if needed to help coat the pasta with the sauce. Add the parsley, taste and add a little more salt and pepper if desired. Serve immediately.

Notes

We use jumbo lump crabmeat for this recipe and 8 ounces provides plenty of flavor for the pasta, but if you love crab and have a few dollars to spare, it can't hurt to add up to 4 ounces more.

Orecchiette with Brussels Sprouts, Gorgonzola, and Brown Butter Pecans

Description

You'd be hard-pressed to find a more perfect fall pasta dish. For a sweet, nutty flavor, roast the Brussels sprouts until they're just this side of charred.

Ingredients

- 20 oz Brussel Sprouts trimmed about 4 cups
- 3 1/2 tbsp olive oil
- 1 lb dried orecchiette
- 1 1/2 tbsp unsalted butter
- 1/2 cup chopped pecans
- 2 large shallots minced about 3/4 cup
- 3/4 cup heavy cream
- 4 oz Gorgonzola crumbled - about 1 cup
- 1 tbsp fresh lemon juice

Instructions

Position a rack in the lower third of the oven, set a heavy rimmed baking sheet on the rack, and heat the oven to 500°F. Bring a large pot of well-salted water to a boil over high heat.

In a food processor fitted with the medium (4 mm) slicing disk, slice the Brussels sprouts. Transfer them to a large bowl, drizzle with the oil, sprinkle with 1-1/4 tsp. salt and 1/2 tsp. pepper, and toss until well coated.

Remove the hot baking sheet from the oven and spread the Brussels sprouts on it in a single layer.

Roast, stirring once about halfway through the cooking time, until the Brussels sprouts are tender and flecked with charred bits, 15 to 20 minutes.

Meanwhile, cook the orecchiette according to package directions until just al dente.

In a medium heavy-duty skillet, melt 1/2 Tbs. of the butter over medium heat. Add the pecans and cook, stirring frequently, until the butter is deeply browned and the pecans are toasted, about 3 minutes. Transfer to a plate and set aside.

Melt the remaining 1 Tbs. butter in the skillet over medium heat. Add the shallots and cook, stirring occasionally, until softened, 2 to 3 minutes. Add the cream and bring to a simmer. Off the heat, add 3 oz. (3/4 cup) of the Gorgonzola and stir until melted.

Drain the orecchiette and return it to the pot. Add the Brussels sprouts, Gorgonzola sauce, and lemon juice and toss well. Serve, sprinkled with the pecans and the remaining Gorgonzola.

Pasta

Pasta with Garlicky Broccoli Rabe

Description

Nice bright and delightful pasta dish

Ingredients

- 1 lb pasta - I like Campanelle but use a shape for hearty sauce
- 1 lb Broccoli Rabe, Stems removed, cut into 1 inch sections
- 1/2 cup olive oil
- 5 Garlic Cloves peeled and minced
- 1 tsp red pepper flakes, more or less to taste
- 1 tsp heaping of salt

Instructions

Bring a huge pot of salted water to a boil. Add pasta and five minutes before its cooking time is up, add the broccoli rabe. It will seem like too much for the water, but with a stir or two, the rabe should wilt and cook alongside the pasta.

Drain rabe and pasta together and pour into serving bowl. In the same pot or a tiny one, heat the olive oil with the garlic, pepper flakes and Kosher salt over moderate heat, stirring frequently for 3 to 4 minutes, or until the garlic becomes lightly golden.

Pour mixture over pasta and toss to evenly coat. Shower with freshly grated cheese and eat at once.

Serve with grated parmesan or Romano cheese and crusty french bread

Pasta

Penne with Spinach, Gorgonzola and walnuts

Description

Chopped nuts are unusual in pasta, but they pair brilliantly with the earthy Gorgonzola in this creamy weeknight dish. Toasting the nuts deepens their flavor, so don't skip this step.

Ingredients

- 8 oz baby spinach leaves
- 1/4 cup coarsely chopped walnuts
- 12 oz penne
- 3/4 cup heavy cream
- 2 1/2 oz crumbled gorgonzola

Instructions

Position a rack in the center of the oven and heat the oven to 350°F. Meanwhile, bring a large pot of generously salted water to a boil. Put the spinach in a colander in the sink.

Toast the walnuts on a rimmed baking sheet in the oven until dark golden-brown, 6 to 8 minutes. Set aside.

Cook the penne according to package directions. Reserve about 1/2 cup of the cooking water and drain the pasta in the colander over the spinach.

Put the cream, Gorgonzola, 1/4 tsp. pepper, and a pinch of salt in a 12-inch nonstick skillet and bring to a boil over medium-high heat. Cook, stirring frequently, until slightly thickened, 2 to 3 minutes. Reduce the heat to medium, add the pasta and spinach, and 2 Tbs. each of the walnuts and chives. Cook, stirring constantly, until some of the sauce is absorbed by the pasta, about 2 minutes. If necessary, add some of the cooking water to moisten the pasta. Season to taste with salt and pepper. Transfer to serving bowls, sprinkle with the remaining 2 Tbs. walnuts and 1 Tbs. chives, and serve.

Notes

Tip: To wilt the spinach perfectly, put it in a colander and drain the pasta over it.

Pasta

Rotini with Goat Cheese

Description

This is a quick, easy pasta dish that packs plenty of flavor. The combination of the sweet, just-softened tomatoes, toasted pine nuts and a splash of balsamic vinegar offsets the tangy, creamy goat cheese perfectly. Be sure to allow the pasta to cool slightly as the goat cheese tastes best if it isn't completely melted.

Ingredients

- 1 cup Rotini
- 1/4 cup pine nuts
- 4 tbsp olive oil
- 3/4 cl onion finely chopped
- 4 clove garlic, finely minced
- 1/4 cup chicken broth
- 1 1/2 pt grape or cherry tomatoes
- 1 tbsps balsamic vinegar
- 1/4 cup parsley chopped
- 1 1/2 cup goat cheese crumbled

Instructions

Put a large pot of salted water on to boil for the pasta.

Heat about 2 teaspoons of the olive oil in a skillet over medium heat. Add the pine nuts and toss to coat with oil. Cook until they turn golden brown and release a toasted, nutty aroma. Watch them very carefully ~ they can burn in a matter of seconds! Remove from pan and set aside.

Add the remaining olive oil to the skillet and add the onion. Cook until slightly softened, about 2 minutes, then add the garlic. Cook until the garlic is soft and barely golden in color, 2 minutes longer. Add the chicken broth and tomatoes and continue cooking just long enough for the tomatoes to soften slightly, 2 minutes. Stir in the balsamic vinegar and season to taste with salt and pepper. Remove from the heat and cover to keep warm.

Cook the pasta according to package directions and drain. Combine with the onion-tomato mixture and toss to combine well. Add the parsley and reserved pine nuts, taste and adjust the seasoning as needed. Set aside for 5 to 7 minutes to cool slightly. Add the crumbled goat cheese, toss gently and serve.

The dish is just as delicious when made ahead and served at room temperature, making it a nice choice for entertaining.

Ingredients

- 1 cup orzo
- 3 tbsp olive oil
- 1/2 cup onion finely chopped
- 2 clove minced garlic
- 3 medium zucchini quartered lengthwise and chopped

Heat 2 tablespoons of the olive oil in a large pan over medium heat.

Add the onion and sauté until soft and translucent, 3 minutes.

Add the garlic and cook just until fragrant, 1 minute.

Add the zucchini and season liberally with salt and freshly ground pepper.

Continue cooking, stirring frequently, until the zucchini is tender, 3 to 4 minutes.

Transfer the mixture to a small bowl and set aside.

Add the remaining olive oil to the pan along with the dried orzo.

Cook until the orzo is lightly toasted, 1 to 2 minutes.

Mix in the tomato and parsley, taste and adjust the seasoning if necessary.

Transfer to a serving dish. May be served warm or at room temperature.
