### Easter Meat Pie Aka: Pizza Rustica, Pizza Piena

**Source:** Grandma Poliferno's Pie Crust.. and Grandma Rosie's Meat Pie Filling

#### Description

Traditional Easter Meat Pie!

#### Ingredients

- 5 cups flour
- 1 tsp salt
- 1 cup shortening
- 2 eggs
- 1 cup water .. as needed (to make dough)
- 1 lb prosciutto in thick slices
- 1 lb supprasatta in thick slices
- 1 lb basket cheese
- 20 eggs
- 1 lb mozzarella
- 1 tbsp Grated Cheese
- 1 lb ricotta
- 4 sticks pepperoni

#### Instructions

For Pie Crust:

Sift flour and salt. Add shortening. Add eggs and water. Knead, refrigerate 10 mins. Roll 1/8" thick. Fit into pan. Reserve enough dough to cover top. Prick dough with fork. Sprinkle bottom with a little flour. Pour filling into lined pie pan and cover with top pie crust. Trim leaving about 1/2" overhang. Fold dough under and back to flute thickly. Cut slits in pie to allow steam to escape. Sprinkle top crust with water before putting in oven.

Bake at 450\* for 1/2 hour. Reduce heat to 375\* and bake for 45 mins. Spread well-beaten egg on the top crust and bake another 10 mins.

**\*\*COVER AT SOME POINT IF GETTING TOO BROWN. IF YOU COVER IT WHEN BAKING AT 450\*, MAKE SURE THE TIN FOIL IS LOOSE OVER CRUST, OR ELSE THE WET CRUST WILL STICK TO THE FOIL. (I COVERED IT WHEN ON 450 LOOSELY, AND IT WAS FINE. \*\*BUT MAKE SURE YOU COVER THE SIDES OF PAN ALSO. DONT JUST LAY FOIL ON TOP OF PAN BECAUSE THEN THE FLUTED CRUST BROWNS WAY TOO FAST.**

Buy all meats, basket cheese and muzzi in a block and chop generously, (not too small), Start with mixing eggs together. Then add ricotta. Mix too creamy. Then add crumbled basket cheese and muzzi, and pepper. (I don't add salt. Cured meats are salty enough). Lastly, add generously chopped meats. Mix well. Pour in pie crust. Continue on.

- 1 cup granulated sugar
- 1 cup brown sugar

### Pie Crust:

2 1/2 cups all purpose flour

1 tablespoon sugar

1 cup crisco shortening

cold water

Place flour and sugar in large bowl. Cut shortening, then add water to form dough. Roll onto heavily floured surface to form a circle. (you may need to keep flipping and flouring lightly so it doesn't stick) Lift gently into glass pie dish and form high fluted edges. (for one-crust pies) - OR - Prepare top and bottom crusts for a two-crust pie. (ex.. fruit pie)

### Notes

HINTS: (For Pumpkin Pie)

Instead of two pies I make one very large pie ( 10" ) and fill it almost full. Then I have some filling left over. I usually freeze it to make pumplin pie squares later.

## **A Loving Collaboration of Family Recipe's**

Be sure to use pure pumpkin, not prepared pumpkin pie filling.

I don't measure the water, just add enough to make the dough workable but not sticky.
