Remove from oven. Place a single M&M in the center of each Kiss, pressing down gently so the softened Kiss spreads and fills the center of the pretzel ring. If desired, sprinkle warm rings with red and green sugars for additional color. Refrigerate for 5-10 minutes (or until chocolate is firm), and serve as needed. Can be stored at room temperature or fridge.

Combine flour, baking powder, baking soda and salt and add to creamed mixture at low speed. Mix until well blended. Divide dough into 4 quarters. Wrap each quarter in plastic wrap and refrigerator at least 1 hour.

Roll out cookies - place 1 tablespoon of flour on large sheet of waxed paper. Place 1 quarter of dough on floured paper. Flatten slightly with hands. Turn dough over and cover with another large sheet of waxed paper. Roll dough to 1/4 inch thickness. Cut out with cookie cutters. Transfer to ungreased baking sheet. Place 2 inches apart. Sprinkle with granulated sugar or leave plain to frost when cooled.

Bake for 5-9 minutes. DO NOT OVERBAKE. Smaller cookies will take less time. Cool 2 minutes on baking sheet. Remove cookies to cool completely on wire rack. Then frost if desired.
