

# Minestrone Soup

## Description

Nothing is more satisfying on a brisk winter day than a bowl of hearty minestrone soup. Minestrone roughly means "the big soup" in Italian, referring to a vegetable style soup with many ingredients. There is no one correct way to make minestrone, but just be sure to include lots of vegetables.

# Minestrone Soup

- 1/2 tsp ground black pepper
- fresh parmesan cheese (optional)

## Instructions

Soak the cannellini beans overnight in cold water. Drain the beans, rinse, and place them in a large stockpot. Add 6 cups of broth. Cover and bring to a boil. Reduce heat and cook gently for about 1 hour.

Finely chop the fresh herbs. Add 4 more cups of broth. Add the vegetables, garlic, fresh herbs, dried herbs, salt and pepper to the stock. Bring back up to a boil, and then reduce heat to a simmer for 20 minutes or until vegetables are just tender.

Remove bay leaves. Ladle soup into bowls and sprinkle with grated Parmesan cheese.

## Notes

Beans will absorb a great deal of liquid while cooking. Add more broth or water to replace lost liquid if needed, or the beans will stick.

This hearty soup is a meal in itself. Serve with crusty bread.
