Trim stalks, lightly pare around the stems (start about half way up the stalk). Evenly toss spears with oil, salt and pepper. Wrap 3-4 spears with each bacon slice, being careful to wind the bacon around the stalk with little overlap.

Spray shallow roasting pan with cooking spray. Place bundles in pan without overlapping. Roast 10 minutes. With tongs, turn spears and continue to roast an additional 5-10 minutes or until desired doneness.

Serve with Hollandaise Sauce (see recipe under Sauces)
