Oven temperature: Broiler

Combine paprika, coriander, and next 6 ingredients (through ground turkey). Shape into 16 meatballs (approximately 1 heaping tablespoon each). Place meatballs on broiler pan coated with cooking spray and broil for 8 minutes or until done, turning once.

While meatballs cook, in a small skillet sprayed with cooking spray, cook onions and red peppers for 5 minutes. Add mushrooms and continue cooking until mushrooms are soft (about 5 more minutes). Set aside

Warm marinara sauce in a small saucepan. Add meatballs and simmer until hot.

Cut grinder rolls in half almost all the way through and lightly hollow out each side of the bread. Arrange 4 meatballs inside each roll and top with onion, pepper, mushroom mixture. Add 1 slice cheese per roll. Place sandwiches on broiler pan and broil for 1 minute or until cheese melts.
