Prep Time: 15 minutes
Category: Desserts

Instructions

Prepare pudding according to package directions. In seperate bowl mix cream chees and condensed milk until smooth and creamy. Blend with pudding and fold in coolwhip(2/3 of container). Line a 10 x 13 pan with cookie, then layer of banana slices, creamed mixture and more bananas. Top with another layer of cookies, I like to crunch up the cookies for top. Top with remaining cool whip.
