Chocolate Caramels

Source: Aunt Helen and probalely (Great)Grandmother Smith

Description

This candy is worth all the trouble. I have never served it that everyone did not rave and want more to take home.

Ingredients

- 2 cups sugar granulated
- 1 2/3 cups white karo
- 2 1/2 ozs squares of chocolate
- 2 sticks butter
- 1 cup half and half
- 4 tbsps vanilla

Instructions

Mix everything well except for the half and half in a heavy sauce pan. Let come to a rolling boil and then add the half and half. Turn to low heat and very slowly cook to 245 degrees or will form a firm ball in cold water. Remove from heat and add vanilla.

Pour in a buttered glass cassarole to cool. Do not beat. Once cooled, cut and wrap in small pieces of waxed paper for individual pieces.

Chocolate Pie with Merrigue

Source: (Great)Grand-mother Smith-Martha

Description

This is worth the trouble.

Ingredients

- 1 9 inch pie shell cooked following package directions and cooled
- 1 cup sugar
- 1/2 cup flour (all purpose)
- 2 squares of bitter chocolate, chopped
- 3 egg yolks, well beaten
- 2 1/4 cups cold water
- 1 tsp pure vanilla

Instructions

Bake pie shell and cool. In the top of a double boiler, mix sugar and flour together well and add chocolate, eggs, 2 1/4 cups water and cook in double boiler stirring 2 to 3 times while cooking to prevent lumps. Cook until thick. Remove from stove and add 1 to 2 teaspoons very cold water. Add vanilla and cool.

Pre-heat oven to 350 degrees. Pour cooled filling into cooled pie shell. Spread merrange on top of pie and spread to edge of crust sealing in filling. Put immediately into pre-heated oven and bake for 15 minutes or until merrange is golden brown. Put pie immediately into refrigerator to prevent soggy crust.

The original recipe says vanilla to taste; we like it with one teaspoon.

Notes

I find it better to spray my pan but this wasn't mentioned in the original recipe.

Minute-Boil Fudge

Source: Mabel Range Hunnicutt

Description

I enter this recipe although I have had no success with it. Everyone else who tries it has had no trouble.

Ingredients

- 2 ozs chocolate
- 1 1/2 cups sugar
- 7 tbsps milk
- 2 tbsps dark corn syrup
- 1 tbsp light corn syrup
- 2 tbsps butter
- 1/4 tsp salt
- 1 tsp vanilla extract

Instructions

Place all ingredients in a sauce pan. Bring slowly to rolling boil and boil briskly for 1 minute. On a rainy day boil for 1 1/2 minutes. Cool to luke warm and add vanilla and beat until thick enough to spread. If it becomes too thick add a little cream. Pour in pan.

Notes

Instead of chocolate, you may use 2 1/2 tablespoons of cocoa.

Diana and Martha put pan down in a sink of cold water (about an inch) and it thickens as they beat the fudge. Works for them--give it a try.
